

2011 DISTRICT 27-E1 CLUB OFFICER TRAINING

The 2011 Club Officer Training sessions are listed below. Both new and continuing club officers should plan to attend one of the sessions. All club officers are required to attend an officer training session to be eligible for Excellence or 100% Awards.

An officer who can't make the training session in your region may go to a session in another region. Although the sessions are geared to club officers, all Lions could learn and then benefit themselves and their clubs.

Please RSVP to your Zone Chair. If you wish more detailed information about any of the sessions, please contact the respective Region Chair
